OK to you?

Frank:
I think it's fine. You
might also want to run it by
George Knox, who I understand
is trying to coordinate some
contacts with Sullivan.

Dear Dr. Sullivan:

It was a pleasure meeting you on the PanAm shuttle on Friday and having the opportunity to chat with you briefly about tobacco. The industry does have its side of the issue and I would like to have the opportunity to discuss it with you at some future date. Perhaps George Lewis and I could have dinner with you in Washington or in New York on your next visit.

Again, thanks for at least giving me a few moments of your time on the plane. I will give your best to George Lewis and Stan Scott.
